

**Data de aprovação da lei**  
2011

**Data de implementação prevista**  
2013

**Cobertura da embalagem**

As advertências de saúde precisam cobrir 32% da frente e 45% do verso das embalagens. No geral, 38.5% do espaço da embalagem é reservado para advertências de saúde. A frente da embalagem deve ter uma advertência textual, enquanto o verso deve ter uma advertência gráfica com texto. O texto das advertências aparecerá em inglês e em línguas gaélicas.

**Frequência de rotação e histórico**

Catorze advertências gráficas e duas advertências textuais são usadas nas embalagens de produtos de tabaco.

**Restrições sobre informações enganosas**

Não especificado.
